## CPC31320 CERTIFICATE III IN WALL AND FLOOR TILING

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

Occupational titles may include:

- Tiler
- Wall and Floor tiler.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements

This qualification is suitable for an Australian apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice.

### COURSE ENTRY REQUIREMENTS:

***There is no pre-requisites or specific entry requirement for this qualification. This course is available to all international students and Britts College Pty Ltd. requires that students are able to provide evidence that they:***

- Have demonstrated an IELTS level at score of least 6.0 or equivalent (test results must be no more than 2 years old) or demonstration of successful completion of at least General English at Advanced Level or English for Academic Purposes Upper Intermediate level.
- Have a suitable level of language, literacy and numeracy to complete course requirements with or without additional support that Britts College Pty Ltd. is able to provide.
- Must be a proficient user of advanced calculators.
- Have successfully completed Australian year 12 or equivalent or must be of matured age with adequate LLN skills.
- Are at least at age of 18 on the date of course commencement.

**Please Note:** *It is highly recommended that student must have successfully completed 'CPCCWHS1001 Prepare to work safely in the construction industry', prior commencing this course.*

*All the students commencing this course are required to complete LLN test on the orientation day to assist Britts College Pty Ltd. to identify student's needs for additional support during their study with Britts College Pty Ltd.*

### **ADDITIONAL ENTRY REQUIREMENTS:**

- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
- Student must have access to working internet.
- Student must be able to attend scheduled theory classes and classes to be conducted in simulated environment face to face only.

### **ORIENTATION:**

New student Orientation will be done face to face only. New students will receive an email and call from the Admissions department on the Friday, prior to their date of commencement with all necessary further information and instructions. If you have any questions regarding this process, please contact **+61481323385** or **[sso@brittscollege.edu.au](mailto:sso@brittscollege.edu.au)**. Please email or call the student administration should you require any additional support.

### **CLASSES:**

All classes will be conducted face to face at the student's respective campus of enrollment.

### **ASSESSMENT:**

Assessment tasks will vary for each unit of competency. The Trainer or Assessor will explain the assessment requirements and due dates in class. Late submission fees applies if the assessment is not submitted on or before the due date.

### **SUPPORT:**

All staff at Britts College Pty Ltd. will continue to work and will continue to provide the students with the support any individual may need. The student will be remained connected with each trainer/assessor through regular class participation to assist them continuing their studies.
